

# You Wear It Well

El DeBarge

On the streets  
And everywhere  
You're turnin' heads  
You've got that laissez faire

You just smile, yeah  
And walk on through, oh, oh  
You've got that personality, babe  
And it sure looks good on you, yeah

Not the ordinary  
Anything you wear looks good on you, especially  
Nothin' I can tell you  
You haven't already heard a half a million times  
But I'd still like to say

You wear it well  
You wear it well, you wear it well (Ho)  
You wear it well  
You wear it well, you wear it well

There they go  
They look so lovely too  
But even so  
They can't compete with you, no

You've got class  
You're more than just a pretty face, no, no, babe  
You've got that personality, babe  
You've got exactly what it takes (Yeah, yeah, yeah)

Not the ordinary  
Anything you wear looks good on you, especially  
Nothin' I can tell you  
You haven't already heard a half a million times  
But I'd still like to say

You wear it well (Ooh, sho' nuff)  
You wear it well, you wear it well (Woo!)  
You wear it well (Oh, yeah, baby)  
You wear it well, you wear it well (You take my breath away)

You wear it well (Ooh, sho' nuff)  
You wear it well, you wear it well (Ah, yeah, baby)  
You wear it well  
You wear it well, you wear it well

Wear (Ooh)  
You wear it well, you wear it well  
Just want to tell you, you wear it well  
The way it looks on ya, you wear it well  
Just want to tell ya, you wear it well

You wear it well  
You wear it well, you wear it well (Go on with your bad self)  
You wear it well (Ho)  
You wear it well, you wear it well (You take my breath away)

You wear it
