Emi D Emi D

**Emi Ami**  
I know, she was one of many girls  
**D G F#mi H**  
that came but only to have a show  
**Emi Ami**  
I know, my eyes wanted to be mirrors  
**H7 Emi**  
But she told "Don't come on, music boy"

**Emi Ami**  
I know, it seems I passed a hundred years  
**D G F#mi H**  
When I had long for her more and more  
**Emi Ami**  
I know, I was waiting for a voice  
**H7 Emi E**  
That told me sweet words, hold me on

**Bmi Es As**  
R: Maybe that once shall we meet the chance  
**C# Bmi C Fmi F**  
To look into her eyes and that's find my paradise  
**Bmi Es C Fmi**  
At this time I'll whisper my sweet secret true  
**Bmi C**  
"Baby, I love you"

**Emi Ami**  
I know, I'm a covered music boy  
**D G Gmi C**  
That's shut now he can't live alone,  
**Emi Ami**  
I know, songs would be so full of joy  
**H7 Emi E**  
But she is standing at love's door
