Electric Light Orchestra

Bmi A
Somebody...

D A
Told her that there was a place like heaven
Bmi G
across the water on a 747
D
Yeah, we're living in
Bmi A D Bmi A
in a modern world. ...

D A
And pretty soon she's really got the notion
Bmi G
of flying out across the big blue ocean
D
Yeah, we're living in
Bmi A D Bmi G A
In a modern world.

F# Bmi
Talk is cheap on satellite
G Bmi C
But all I get is static
F# Bmi
Information,
F# Bmi G A
I'm still here redial on automatic.

D G
R: Calling America (can't get a message through)
D A
Calling America (that's what she said to do)
D G
Calling America (that's where she has to be)
D A
Calling America (she left a number for me)
A
Calling America.

D
But I'm just talking to a satellite
Twenty thousand miles up in the sky each night
Yeah, we're living in
In a modern world.

All I had to do was pick up the phone
I'm out in space, trying to talk to someone
Yeah, we're living in
In a modern world.

She left a number I could call
But no one's there, no one at all
There must be something going wrong
That number just rings on and on.

R: Calling America...

Said she'd call when she'd been gone a while
Guess she's missing me across the miles
Yeah, we're living in
In a modern world.
