

# Follow Me Follow

Electric Light Orchestra

See how they go on the wings of a shiny bird  
And the reasons for them leaving is not easy

Follow me follow  
Follow me too far away  
Follow me follow  
Where you will go

See how they go on the wings of a shiny bird  
And they'll all be friends together now they're leaving  
See how they try to be happy when they're leaving home  
But the captain of the shinybird won't wait now

Follow me follow  
Follow me too far away  
Follow me follow  
Where you will go

See how they go on the wings of a shiny bird  
And the reasons for them leaving is not easy

Follow me follow  
Follow me too far away  
Follow me follow  
Where you will go
