

Break The Spell

Eleven

Time is tied
Tied to space
Take the knot and smash it's face
Break the spell
I'll break the spell of me
From the deep ride the wave
No to sleep and now I wake
Break the spell
I'll break the spell of me
Now I see now I get
Now I be and now forget
Break the spell
I'll break the spell of me
Time is tied
Tied to space
Take the knot and smash it's face
