Angel Dust

Elijah Blake

Baby girl I've never been to heaven Then again I've never been to hell either With you I finally found a life that's worth living I wanna make love in a back room Run away to Vegas with a [?] room You can be my honey on a full moon

I wanna hear the angels sing I wanna hear the angels sing I wanna hear em sing, for me, for me, for me baby

I wanna make a promise I can't keep Just to get a taste of your sweet dreams Baby let it out if you wanna scream

I wanna hear the angels sing I wanna hear the angels sing I wanna hear em sing, to me, to me, to me, to me

Baby like la da-da-da-da, da-da-da, la da-da-da-da Like la da-da-da-da, da-da-da-da, la da-da-da-da- da

See as I lay me down to sleep baby Girl I pray to God, my heart she'll keep Maybe then that means we need an new definition of "rest in peace" Trust me

I wanna hear the angels scream I wanna hear em scream

Baby like la da-da-da-da, da-da-da-da, la da-da-da-da-da Like la da-da-da-da, da-da-da-da, la da-da-da-da-da

I can hear 'em say, (come, come, come) I can hear the angels say, (come, come, come) As we welcome into your heaven babe I wanna hear the angels scream

No I can't call this magic, that ain't how it happens Couldn't feel this overnight I wanna tell you thank you, but those two words just won't do That's just how I feel inside It's so crazy how I fell so many times and you never let me give up Saw the truth when I told you a million lies Cause you always knew me better All my past mistakes, I wish I could erase To show you that I'm ready to change If I could reset my heart for you Then reset is what I'm gonna do Reset my mind on you, then reset it what I gotta do, do, do I just wanna be good enough for you Cause I ain't been good enough to you And I wanna be, ooh I gotta be, good enough Oooh, help me be, help me be, help me be good now I'm so thankful God, yes I am, I'm thankful So thankful, so thankful Tištěno z pisnicky-akordy.cz
