

Asile's World

Elisa

When I'm looking for the perfect things
some fantasies they save me with their grace
(it's a precious land)
all around you little things are shining like
they are one (are we sisters?)

when I'm looking for the perfect things
just stand up and put on another face (so you're)
so you're exploring all you see you should live
everything

perspiring deeply
watching this fears
as big as planets
and I'm hot and I'm hot
perspiring deeply
watching this fears
as big as planets
and I'm hot and I'm hot
perspiring deeply
watching this fears
as big as planets
and I'm hot and I'm hot
perspiring deeply
watching this fears
as big as planets
and I'm hot and I'm hot
perspiring deeply
watching this fears
as big as planets
and I'm hot and I'm hot

I'm waking up in a good day
so happy walking into the sun
so you are living all you are in your eyes
is there an end

gimme some, trust sister
gimme some, time sister
I really want you to see me the way I am
the way I am, the way...

perspiring deeply
watching this fears
as big as planets
and I'm hot and I'm hot
perspiring deeply
watching this fears
as big as planets
and I'm hot and I'm hot
perspiring deeply
watching this fears
as big as planets
and I'm hot and I'm hot
perspiring deeply
watching this fears
as big as planets
and I'm hot and I'm hot
perspiring deeply
watching this fears
as big as planets

and I'm hot and I'm hot
perspiring deeply
watching this fears
as big as planets
and I'm hot and I'm hot
