## I'm Thru With Love

## Ella Fitzgerald

I have given you my true love But you love a new love What am I supposed to do now With you, now you're through now You'll be on your merry way And there's only this to say:

I'm through with love I'll never fall again Said adieu to love Don't ever call again For I must have you or no one And so I'm through with love I've locked my heart I'll keep my feelings there I have stocked my heart With icy, frigid air And I mean to care for no one Because I'm through with love

Why did you lead me To think you could care? You didn't need me For you had your share Of slaves around you To hound you and swear With deep emotion, devotion to you

Goodbye to spring And all it meant to me It can never bring The thing that used to be For I must have you or no one And so I'm through with love

Why did you lead me To think you could care? You didn't need me For you had your share Of slaves around you To hound you and swear With deep emotion, devotion to you

Goodbye to spring And all it meant to me It can never bring The thing that used to be For I must have you or no one And so I'm through with love Through, I'm through with love
