

# Good Thing Gone

Elle King

Never wanted to let you down  
Never wanted us to fight  
Oh, sweet love o' mine  
I guess this goodbye to you and I

Time is a stubborn affair  
The distance was too much to bear  
Oh, with a heavy heart  
I must leave the one I love

We could've tried a bit harder, mm  
I could've practiced more patience, mm  
Look at this good love we've wasted  
Another good thing gone

Neither one of us is wrong  
Neither one of us is right  
I never fully have faith, you see  
'Cause I always knew you'd fall out of love with me

We could've tried a bit harder, mm  
I could've practiced more patience, mm  
Look at this good love we've wasted  
Another good thing gone

So why should I change?  
If love always ends this way

You couldn't put down that ashtray  
I couldn't get that shit passed me  
We could've tried a bit harder, mm  
But I just ain't got that much patience, mm  
Look at this good love we've wasted  
Another good thing gone.
