Love Me like You Do

Ellie Goulding

You're the light You're the night You're the colour of my blood You're the cure You're the pain You're the only thing I wanna touch Never knew that it could mean so much So much You're the fear I don't care Cause I've never been so high Follow me through the dark Let me take you past our satellites You can see the world you brought to life To life So love me like you do Lo-lo-love me like you do Love me like you do Lo-lo-love me like you do Touch me like you do To-to-touch me like you do What are you waiting for? Fading in Fading out On the edge of paradise Every inch of your skin Is a holy grail I've got to find Only you can set my heart on fire On fire Yeah, I'll let you set the pace 'Cos I'm not thinking straight My head spinning around I can't see clear no more What are you waiting for? Love me like you do Lo-lo-love me like you do Love me like you do Lo-lo-love me like you do Touch me like you do To-to-touch me like you do What are you waiting for? Love me like you do Lo-lo-love me like you do Love me like you do Lo-lo-love me like you do Touch me like you do To-to-touch me like you do What are you waiting for?
