## **More Fire**

Elliphant

Can I, can I, can I talk right now Na missy busy jumping, busy jumping around Missy breaking down, breaking used to me Frizzi is my favorite grizzy growing to be I got a 1, got a 2, got a 3, got a 4 Different state of mind, don't mind me personality I can handle it, you can handle me you know You could na run it without me you know You gotta bare foot climb a wicked tree Drifting fearless in a one place to be I gotta ride ride ride, I gotta fly fly fly

Oh! If tomorrow comes (more fire)
I wanna waste my love on you
Like a pearl merchant
I'm ready to learn
What it takes to burn
I'm gonna let you show me (more fire)
What it means to breath fire (more fire)

I gotta brake, gotta wake, gotta make fire Shake the fake, cut the stake, run the ache, gotta Put some socks on yada I gotta brush my teeth, gotta Scratch my back, you rather Make some cheese man to dada Make a breed But most of all I need to make more fire You could not run this without me you know You could not na get a flees here yo It's a fucking scary planet that you drifting in a puff Life is a tough, blame no tree though yo Sup bitches Cannot sleep no more More fire Cannot na gotta wait it's a more fire moment

Oh! If tomorrow comes (more fire)
I wanna waste my love on you
Like a pearl merchant
I'm ready to learn
What it takes to burn
I'm gonna let you show me (more fire)
What it means to breath fire (more fire)

(2x:)
A lot of people don't got no fire in them
Ah I wondering if the devil hiring them
Just the words from my mouth yes a fire again
Elliphant just pass the fire make me burn them again

Oh! If tomorrow comes (more fire)
I wanna waste my love on you
Like a pearl merchant
I'm ready to learn
What it takes to burn
I'm gonna let you show me (more fire)

What it means to breath fire (more fire)

Oh! If tomorrow comes I wanna waste my love on you Like a pearl merchant I'm ready, I'm ready to learn I'm ready, I'm ready I'm ready to Burning in my soul Fire out of control I feel it burning in my soul Fire out of control
