Only Getting Younger

Elliphant

Why your skin go wrinkle we only getting younger We ride into a peek we can't take this shit no longer Main our mind a lover man a body go weak I got my bloody truth I got my BAS crew with me Walk around with bloody hands I saw you lick it off We gon' keep them dirty just to prove a point Keep it dirty is for truth that my crew hunger Whoa So fuck tomorrow we only getting younger

All universe implode in me Up or down in and out no matter G Now stop falling, I smell like a fox Coloring questioning a blank answer box Trip on trigger true, twist a tune, trick a dumb Fresh like a fungus, smelling shit, smelling numb We born together together we keep struggle So fuck tomorrow we only getting younger

Fuck tomorrow we only getting younger You to follow we are here to rumble Grab a hand take things too long Drag shit to it's fullest blow me right from wrong Stand tall, free I fall, your call, is my ball, now yours, close them doors, Get blown, by a force, of truth, missing youth, fuck the shows, Skrillex, haha, loose the goose man, FUCK IT!

Walk around with bloody hands I saw you lick it off We gon' keep them dirty just to prove a point Main our mind a lover man a body go weak I got my bloody truth I got my BAS crew with me I got my [x3]

Me and my bitches me and my dogs Dandelion war keep digging streets for gold Feeling kind of tense I need a cup of whiskey My glass is overfull be careful when you pass me We dominate this corner with my BAS family Overtake this blocker with my boom energy Born to be a rocker gotta grow with us Acting like a sucka, suck it all, suck it up

Walk around with bloody hands I saw you lick it off We gon' keep them dirty just to prove a point Main our mind a lover man a body go weak I got my bloody truth I got my BAS crew with me I got my [x3]

So fuck tomorrow we only getting younger
