

## Fine Little Mama

Elmore James

I got a fine little mama,  
she really's on the ball  
I got a fine little mama,  
and she really's on the ball  
She is a red hot mama,  
and she ain't but five feet tall

Oh yeah, she's got perfect hip and long black waivy hair  
She's got perfect hip and long black waivy hair  
Aah, that was not a joke, aah  
and in town she ain't no square, oh yeah

She is a red hot mama,  
but she sure can put me down  
She is a red hot mama,  
and she sure can put me down  
And when she start the lovin',  
my love come tumblin' down

Ohh yes, she's my red hot mama, my red hot mama  
She's my red hot mama, she's my red hot mama  
Well, when she start the lovin',  
my love come tumblin' down
