

# Out Of The Blue

Elton John

Someday out of the blue  
In a crowded street or a deserted square  
I'll turn and I'll see you  
As if our love were new  
Someday we can start again, someday soon

Here comes the night  
Here come the memories  
Lost in your arms  
Down in the foreign fields  
Not so long ago  
Seems like eternity  
Those sweet afternoons  
Still capture me

Someday out of the blue  
In a crowded street or a deserted square  
I'll turn and I'll see you  
As if our love were new  
Someday we can start again, someday soon

I still believe  
I still put faith in us  
We had it all and watched it slip away  
Where are we now  
Not where we want to be  
Those hot afternoons  
Still follow me

Someday out of the blue  
Maybe years from now  
Or tomorrow night  
I'll turn and I'll see you  
As if we always knew  
Someday we would live again, someday soon

I still believe, I still put faith in us  
I still believe, I still put faith in us  
I still believe, I still put faith in us

Here comes the night  
Here come the memories  
Lost in your arms  
Down in the foreign fields  
Not so long ago  
Seems like eternity  
Those sweet afternoons  
Still capture me  
Someday out of the blue  
Maybe years from now  
Or tomorrow night  
I'll turn and I'll see you  
As if we always knew  
Someday we would live again, someday soon

Someday out of the blue  
In a crowded street or a deserted square

I'll turn and I'll see you  
As if our love were new  
Someday we can start again, someday soon

I still believe, I still put faith in us  
I still believe, I still put faith in us  
I still believe, I still put faith in us...
