Sartorial Eloquence

Elton John

You've a certain sartorial eloquence And a style that's almost of your own You've got the knack of being so laid-back It's like talking to the great Unknown You've got a self-sufficient swept-back hairdo Pretty certain that you've got it made Oh your life-style shows in the clothes you chose Sitting pretty in the masquerade

Sing'in Don't you wanna play this game no more Don't you wanna play no more Don't you wanna play this game no more Don't you wanna play no more

You remain the only main contender Though you never, you never meant to lose at all Down at the mouth yet unsurrendered Adamant before the fall Though when you go you know I might be lonesome But I'll keep it under close control Go and get your kicks and babe let's call it quits I believe I'm feeling indisposed

Don't you wanna play this game no more When you go you know I might be lonesome But I'll keep it under close control Go and get your kicks and babe let's call it quits I believe I'm feeling indisposed
