Clowntime Is Over

Elvis Costello

Tears on your blackmail Written to ransom A point of the fingernail Says that he's handsome

Clowntime is over
Time to take cover
While others just talk and talk
Somebody's watching where the others don't walk
Clowntime is over

A voice in the shadows Says that his men know He don't step back as expected He's otherwise and unprotected

Clowntime is over
Time to take cover
While others just talk and talk
Somebody's watching where the others don't walk
Clowntime is over

Almost too good to be true Who do you? why do you? what do you do? While everybody's hiding under covers Who's making lover's lane safe again for lovers?

Clowntime is over
Time to take cover
While others just talk and talk
Somebody's watching where the others don't walk
Clowntime is over
