I was tuning in the shine on the light night dial doing anything my radio advised with every one of those late night stations playing songs bringing tears to me eyes I was seriously thinking about hiding the receiver when the switch broke 'cause it's old They're saying things that I can hardly believe. They really think we're getting out of control.

Radio is a sound salvation
Radio is cleaning up the nation
They say you better listen to the voice of reason
But they don't give you any choice
'cause they think that it's treason.
So you had better do as you are told.
You better listen to the radio.

I wanna bite the hand that feeds me.

I wanna bite that hand so badly.

I want to make them wish they'd never seen me.

Some of my friends sit around every evening and they worry about the times ahead But everybody else is overwhelmed by indifference and the promise of an early bed You either shut up or get cut up; they don't wanna hear about it.

It's only inches on the reel-to-reel.

And the radio is in the hands of such a lot of fools tryin' to anaesthetise the way that you feel

Radio is a sound salvation
Radio is cleaning up the nation
They say you better listen to the voice of reason
But they don't give you any choice
'cause they think that it's treason.
So you had better do as you are told.
You better listen to the radio.
