## **Two Little Hitlers**

**Elvis Costello** 

Why are we racing to be so old? I'm up late pacing the floor I won't be told You have your reservations I'm bought and sold I'll face the music I'll face the facts Even when we walk in polka dots and chequer slacks Bowing and squawking Running after titbits Bobbing and squinting Just like a nitwit Two little Hitlers will fight it out until One little Hitler does the other one's will I will return I will not burn Down in the basement I need my head examined I need my eyes excited I'd like to join the party But I was not invited You make a member of me I'll be delighted I wouldn't cry for lost souls, you might drown Dirty words for dirty minds Written in a toilet town Dial me a Valentine She's a smooth operator It's all so calculated She's got a calculator She's my soft touch typewriter And I'm the great dictator Two little Hitlers will fight it out until One little Hitler does the other one's will I will return I will not burn Down in the basement A simple game of self-respect You flick a switch and the world goes off Nobody jumps as you expect I would have thought you would have had enough by now You call selective dating For some effective mating I thought I'd let you down, dear But you were just deflating

I knew right from the start We'd end up hating Pictures of the merchandise Plastered on the wall We can look so long as we don't have to talk at all

You say you'll never know him He's an unnatural man He doesn't want your pleasure He wants as no one can He wants to know the names of All those he's better than

Two little Hitlers will fight it out until One little Hitler does the other one's will I will return I will not burn Down in the basement

I will return I will not burn (2x)
