

Blue Christmas

Elvis Presley

D **A**
I'll have a Blue Christmas without you
A7 **D**
I'll be so blue just thinking about you
D7 **D** **G** **E7**
Decorations of red on a green Christmas tree
E **A** **A7**
Won't be the same dear, if you're not here with me

And when those blue snowflakes start falling
That's when those blue memories start calling
You'll be doin' all right, with your Christmas of white
A **D**
But I'll have a blue, blue blue blue Christmas

Ami **D** **G** **E7**
You'll be doin' all right, with your Christmas of white,
A **D**
But I'll have a blue, blue Christmas
