Come on everybody and snap your fingers now Come on everybody clap your hands real loud Come on everybody take a real deep breath And repeat after me Lovin' my baby Lovin' my baby Hey, hey, hey and my baby loves me Come on everybody and whistle this tune right now Come on everybody and stomp your feet real loud Come on everybody take a real deep breath And repeat after me Lovin' my baby Lovin' my baby Hey, hey, hey and my baby loves me Well there ain't nothing wrong with the long-haired music Like Brahms, Beethoven and Bach Well I was raised with a quitar in my hand And I was born to rock Well, come on everybody and turn your head to the left Come on everybody and turn your head to the right Come on everybody take a real deep breath And repeat after me Lovin' my baby Lovin' my baby Hey, hey, hey and my baby loves me
