

Do You Know Who I Am?

Elvis Presley

Do you know who I am
Have you any idea who I am.
Yes, its been quite a while
And its so good to see you again.

It's so dark in this place
That I can't see your face
May we leave, Oh I see.
Does he know who I am
And what once was between you and me.

Do you know how I tried
Have you any idea how I tried.
Not to keep you inside
Do you know, Darlin', how much I cried.

I remember you said
That you had to forget about me,
And be free.
Do you know who I am, or have you
forgot about me.

Do you think there's a chance
You and I could start over again.
Is there a prayer you still pray
Or has it just been too long and
we're through.
Well, What about you and him
Oh, He's only a friend
Well I see, there's still a chance for
me.

Maybe some other time, in
some other place
With our love in your heart and a
smile on you face.
You will know who I am
When that time comes you'll know
who I am.
You will know who I am.
When that time comes you'll know
who I am.
You will know who I am.
When that time comes you'll know
who I am
