

## The Fair's Moving On

Elvis Presley

All the rides are over and done  
It's late and no prizes are left to be won  
The rides are closed, it's the end of the day  
The horses are moving away  
Yes the fair's moving on  
And I'll soon be gone  
Remember the love that we've known  
Yes the fair's moving on  
But I won't leave you long  
It's the last time you'll be on your own

The music has ended, the carousel's still  
The horses in boxes with the big Ferris wheel  
The canvass and glitter are safely on board  
The trailers will soon hit the road

Yes the fair's moving on  
And I'll soon be gone  
Remember the love that we had  
Yes the fair's moving on  
But I won't leave you long  
I'm coming back so please don't be sad

At dawn I'll be gone but I'll soon return  
Till then the fair's moving on  
Till then the fair's moving on  
Till then the fair's moving on  
Till then the fair's moving on
