The Wonder of You

Elvis Presley

When no one else can understand me When everything I do is wrong You give me hope and consolation You give me strength to carry on

And you're always there
To lend a hand in everything I do
That's the wonder, the wonder of you
(Wonder of you)

And when you smile the world is brighter You touch my hand and I'm a king Your kiss to me is worth a fortune Your love for me is everything

I guess, I'll never know
The reason why you love me like you do
That's the wonder, the wonder of you

I guess, I'll never know
The reason why you love me as you do
That's the wonder, the wonder of you
