

# There's Always Me

Elvis Presley

When the evening shadows fall  
And you're wondering who to call  
For a little company  
There's always me

If your great romance should end  
And you're lonesome for a friend  
Darling you need never be  
There's always me

I don't seem to mind somehow  
Playing second fiddle now  
Someday you'll want me, dear  
And when that day is here

Within my arms you'll come to know  
Other loves may come and go  
But my love for you will be eternally  
Look around and you will see  
There's always me
