

Wolf Call

Elvis Presley

Flip, flop with kay-eye
What a cutie pie I see
Oops, shoopa, doo-wah
Lips of honey that's for me

Shim, sham, shimmy
Wanna howl and shout!
I'm out to get you, baby, and that's no doubt
I saw you standing 'gainst the wall
I whistled and I gave my all
Now don't tell me you don't fall
For that wolf call

Just a little kiss'll put me in a whirl
I'll never whistle, baby, at another girl
You love me well, we'll have a ball
Why do you try to stall?
Now don't tell me you don't fall
For that wolf call
For that wolf call
For that wolf call
