## Yesterday

Yesterday All my troubles seemed so far away Now it looks as though they're here to stay Oh I believe in yesterday

Suddenly I don't have the laugh I used to weep There's a shadow hanging over me Oh, yesterday, came suddenly

Why'd she have to go I don't know, she wouldn't say I said something wrong Now I long for yesterday

Yesterday Love was such an easy game to play Now I need a place to hide away Oh, I believe in yesterday
