Elysian Fields

You hold the thread my love That's gonna wind me out Wind me out  
t Spin me to the naked spool There's no egress my love Now the  
you've bound me You found me out Pried it from my cold dead han  
ds You got me swinging chandeliers Sliding down bannisters Stri  
pping my gears It's sink or swim my love Now that they're tying  
me Trying me A bible couldn't hold me down Into that night my  
love We won't go gentle Raging seas Dancing in the dying light  
You got me swinging chandeliers Sliding down bannisters Strippi  
ng my gears You got me fighting grenadiers Rearranging my dna D  
eep atmospheres You got me swinging chandeliers Riding down ban  
ker street Stripping my gears You got me fighting grenadiers Re  
arranging my dna Deep atmospheres Deep atmospheres
