

Oh yeah...

To the rhythm of a broken heart  
I lied, I lost the love  
Of my life and that's enough  
So take the part of me  
The part of me that made you leave  
Forget about that  
Forget about being mad  
I think we can get it back

I've lived so long  
Living like I wanna be here alone, no  
How was I so wrong  
Tell me what it takes to get you home

I don't mind, no  
Giving up, walking up to apologize  
I know I'm wrong, I feel it all the time  
You love me too, you do  
That's why it hurts  
That's why I made you cry  
And I'm sorry  
I know it's taken me awhile  
But maybe in a song

I've lived so long  
Living like I wanna be here alone, no-no  
How was I so wrong  
Tell me what it takes to get you home

I've lived so long  
Living like I wanna be here alone  
How was I so wrong  
Tell me what it takes to get you home  
Tell me what it takes to get you home  
Tell me what it takes to get you home
