

## Trilogy

Emerson, Lake & Palmer

I've tried to mend  
The love that ended  
Long ago although we still pretend  
Our love is surely coming to an end  
Don't waste the time you've got to love again

We tried to lie  
But you and I  
Know better than to let each other lie  
The thought of lying to you makes me cry  
Counting up the time that's passed us by

I've sent this letter hoping it will reach your hand  
And if it does I hope that you will understand

That I must leave in a while  
And though I smile  
You know the smile is only there to hide  
What I'm really feeling deep inside  
Just a face where I can hang my pride

Goodbye...  
Goodbye...

We'll talk of places that we went  
And times that we have spent  
Together penniless and free

You'll see the day another way  
And wake up with the sunshine  
pouring right down where you lay

You'll love again I don't know when  
But if you do I know that  
you'll be happy in the end
