Catch an attitude and shit
We got one for them. goes like this

We wrote a song for the hoes. You like to hear? Here it goes
A little somethin you probably won't hear on the radio
So when it comes on in the club it's one that everyone knows
And if I'm talking to fast it just means you're listening to slow
And if you listen a little faster maybe you'll catch up, Bitch
Jew Ja Jaw Jaw Da Dun Jew Ja
You just made me mess up, Bitch
Bleeb Blab Blah Blah Blah Blah
It don't matter, I'm just blabbering
Like you understand what I'm saying Anyway
I'm just traveling In one ear and I'm out the other
You're so fuckin drunk all you hear is the Beat da beat
I could be sayin anything Get ya ass on the floor
Wear the same pants that you wore from the day before
Baby and shake that ass like a whore

Yeah i'm talkin to you BITCH (get up and dance bitch)
Wiggle that ass BITCH (yeah thats it. yeah i called you a bitch)
What you going to do about it BITCH?
Sit there and cry like a little BITCH? BITCH.
Get up and dance BITCH (wiggle that ass bitch)
You little trash BITCH (yeah thats it. yeah i called you a trash bitch)
Not trailer trash SWITCH
Take the person you with and exchange partners

Tell me that it aint no hangin, and fuck callin home
Untill you look at me before you answer the phone
When i flee, your ass can get as naked and be as free
As you wanna be freak
But i'm takin the key with me.
You aint gonna get shit, so dont even ask
Disrespect my wishes, i'll beat your ass
Watch me comin home floor eatin half of your doggy bag
And i leave laughin, while you callin me on the rag
I'm the type that might cut off the lights when i hit
And before she cut them on, Kuniva already SWITCHED
Your ass aint even ridin with Swift unless your goin
When i'm done, i throw you out and ask you where you goin

Hoe aint the only thing you call a girl
Slut, Tramp, (oh, how you doin sir?)
Ever since i was 8, i been startin to hate
I said fuck the Ho's, started eatin cheese cake
Scrambled eggs and steak, strawberrys and grapes
Damn that sounds great, hold on wait (Bizzy)
Ok, back to the bitches,
wash the dishes after that. Give me stitches.
A fuckin half indian chick, suck my dick
This time tommorow, i wont remember shit
