Love the Way You Lie

Emma Drobná

On the first page of our story The future seemed so bright Then this thing turned out so evil I don't know why I'm still surprised Even angels have their wicked schemes And you take that to new extremes But you'll always be my hero Even though you've lost your mind

Just gonna stand there and watch me burn But that's all right because I like the way it hurts Just gonna stand there and hear me cry But that's all right because I love the way you lie I love the way you lie Ohh, I love the way you lie

Now there's graved in our voices Class is shattered from the fight In this tug of war, you'll always win Even when I'm right Cause you feed me fables from your head With violent words and empty threats And it's sick that all these battles Are what keeps me satisfied

Just gonna stand there and watch me burn But that's all right because I like the way it hurts Just gonna stand there and hear me cry But that's all right because I love the way you lie I love the way you lie Ohh, I love the way you lie

So maybe I'm a masochist I try to turn but I don't wanna ever leave Till these walls are goin' up In smoke with all our memories

Just gonna stand there and watch me burn But that's all right because I like the way it hurts Just gonna stand there and hear me cry But that's all right because I love the way you lie I love the way you lie Ohh, I love the way you lie
