

Nowhere

Emma Louise

Flowers growing on my chest
That's how I know that I've been stagnant
Growing in my bed for too long
And you know honey I know this
When my arms are outstretched
I'm addicted to the freedom
Honey, I'm addicted to the freedom

Ooh, ooh
Ooh, but baby better take me some place
I've never been before
I'm so sick of going nowhere
Ooh, I'm so sick of going nowhere babe

Open windows [?] my eyes
Pull my down tight
I'm a fire in your side
Tonight I'll be running for my life
In a silent shower
A comet down the highway
Honey, I'm addicted to the freedom

Ooh, but baby better take me some place
I've never been before
I'm so sick of going nowhere
Ooh, I'm so sick of going nowhere babe
I'm so sick of going nowhere
Ooh, I'm so sick of going nowhere baby

[?] hands heavy on my body
Honey had a kind kind soul
And I'm so scare that I'll keep on running
Like sticks on a river
I'm restless forever, ooh

Hands heavy on my body
Honey had a kind kind soul
And I'm so scare that I'll keep on running
Like sticks on a river
I'm restless forever, ooh

Hands heavy on my body
Honey had a kind kind soul
And I'm so scare that I'll keep on running
Like sticks on a river
I'm restless
