

# When They Ring Those Golden Bells

Emmylou Harris

There's a land beyond the river  
That we call the sweet forever  
And we only reach that shore by faith, you see  
Yes I want to see my Jesus  
Shake His hand and have Him greet us  
When they ring those golden bells for you and me

Don't you hear the bells a-ringin'  
Can't you hear the angels singin'  
It's a glory hallelujah jubilee  
In the far off great forever just beyond the shining river  
When they ring those golden bells for you and me

When our days have known their number  
When in death we sweetly slumber  
When the kingdom mends the spirit to be free  
There'll be no more stormy weather  
We'll live peacefully together  
When they ring those golden bells for you and me

Don't you hear the bells a-ringin'  
Can't you hear the angels singin'  
It's a glory hallelujah jubilee  
In the far off great forever just beyond the shining river  
When they ring those golden bells for you and me  
When they ring those golden bells for you and me
