

I'll Be Your Baby Tonight

Engelbert Humperdinck

Close your eyes, close the door
You don't have to worry anymore
I'll be your baby tonight

Shut the light, shut the shade
You don't have to be afraid
I'll be your baby tonight

Well, that mockingbird's gonna sail away
You're gonna forget it
That big fat moon is gonna shine like a spoon
But we're gonna let it
You won't regret it

Kick your shoes off, do not fear
Bring that bottle, baby, right over here
I'll be your baby tonight

I said, that mockingbird's gonna sail away
You're gonna forget it
That big fat moon is gonna shine like a spoon
But we're gonna let it
You won't regret it

Kick your shoes off, do not fear
Bring that bottle, baby, right over here
I'll be your baby tonight
I said, I'll be your baby tonight
Baby tonight
Baby tonight
I'll be your baby tonight
