

There's a Kind of Hush

Engelbert Humperdinck

There's a kind of hush all over the world tonight
All over the world you can hear the sounds of lovers in
love
You know what I mean
Just the two of us and nobody else concerned
There's nobody else, and I'm feeling good holding you
tight

So listen very carefully, closer now
And you will see what I mean (see what I mean)
It isn't a dream (it isn't a dream)
The only sound that you will hear
Is when I whisper in your ear, I love you forever and
ever

There's a kind of hush all over the world tonight
All over the world people just like us are falling in
love
So listen very carefully, closer now
And you will see what I mean (see what I mean)
No no, it isn't a dream (it isn't a dream)
The only sound that you will hear
Is when I whisper in your ear, I love you forever and
ever

There's a kind of hush all over the world tonight
All over the world people just like us are falling in
love
Are falling in love
Fallin' in love
