

Totally Amazing

Engelbert Humperdinck

I've been dreamin' all my days
But findin' this love and feelin' this way
Now I wake up to your sweet face
And I just gotta say

You're totally amazing, that's what you are
And I have been savin' a place in my heart
I promise you baby, I'll never change
Oh, I'd have to be crazy 'cause you're totally amazing
You're totally amazing, totally amazing

You're the picture that's in my mind
I've carried around for such a long time
Now before my very eyes
Love has come alive

You're totally amazing, that's what you are
And I have been savin' a place in my heart
I promise you baby, I'll never change
Oh, I'd have to be crazy 'cause you're totally amazing
You're totally amazing, totally amazing

I just can't imagine a day without your love
'Cause I've missed you all my life
Now that I've found you
I want my eyes around you every night

You're totally amazing, that's what you are
I'm telling you baby just you're totally amazing
Oh, you're driving me crazy 'cause you're totally amazing

I've been dreamin' all my days
But findin' this love and feelin' this way
