Shadows in Silence

Give me release Witness me I am outside Give me peace

Heaven holds a sense of wonder And I wanted to believe That I'd get caught up When the rage in me subsides

In this white wave I am sinking In this silence In this white wave In this silence I believe

Passion chokes the flower 'til she cries no more Possessing all the beauty Hungry still for more

Heaven holds a sense of wonder

I can't help this longing Comfort me I can't hold it all in If you won't let me

Heaven holds a sense of wonder

In this white wave I am sinking In this silence In this white wave In this silence I believe

I have seen you In this white wave You are silent You are breathing In this white wave I am free Enigma
