Someone to love

Little girl
She's all grown up
Oh she's getting fevers
she's a big star

Little girl Fights with her mom Can't believe money Changed who she loved

And she cries in the night Just to try to hold on But no one can hear her She's all alone

This little girl closes her eyes all that she wants is someone to love oh yea Someone to love oh yea

She cries in the night Just to try to hold on

No one can hear her She's all alone

This little girl closes her eyes all that she wants is someone to love (someone)
Someone to love (someone)
To love (someone)
To love (someone)
Someone (fade out)
