

# Say It

Enrique Iglesias

**E Fmi# A E**

**E**  
Don't tell me

**Fmi#**  
If you're leaving in the morning

**A**  
I don't wanna have a warning

**E**  
If you're not here

Just take me  
Please take me for the last time  
'Cause baby now is not the right time  
For us to be scared

**Hmi**  
Yes, I know I wasn't perfect  
**A** **E**  
When we fought and cried all those nights  
**Hmi** **A**  
But the passion that we have is too strong  
**H**  
To give up the fight

**E**  
R: So I need you to say it  
**Fmi#**  
If you really want to let me go  
**A**  
'Cause I don't believe you no I don't  
**E**  
Won't you tell me the truth?  
**E**  
Yes, I need you to say it  
**Fmi#**  
If you really want this love to end  
**A**  
Look me in the eye and don't pretend  
**E**  
That what we have is through

Don't tell me  
If there's someone else inside you  
Doing all the things that I do  
'Cause I don't wanna hear

Just take me  
Don't wanna feel no more resistance  
No we don't have to go the distance  
'Cause we're already there

Yes, I know I wasn't perfect  
When I ran a light all those times  
But the passion that we have is too strong  
To give up the fight  
So I need you to say it

If you really want to let me go  
'Cause I don't believe you no I don't  
Won't you tell me the truth?

Yes, I need you to say it  
If you really want this love to end  
Look me in the eye you can't pretend  
That what we have is through

**Hmi A E Hmi A H**
