The moonlight... Shines down interstellar beams And the groove tonight Is something more than you've ever seen The stars and planets taking shape A stolen kiss has come too late In the moonlight Carry on, keep romancing, Carry on, carry on dancing In the moonlight Carry on, keep romancing, Carry on, carry on dancing You're never safe 'till you see the dawn And if the clock strikes past midnight The hope is gone To move under... In the moonlight Carry on, keep romancing, Carry on, carry on dancing In the moonlight Carry on, keep romancing, Carry on, carry on dancing Move. Closer. Passion. Stronger There's a magic only two can tell In the dark night Ultra violet is a wicked spell The stars and planets taking shape A stolen kiss has come to late In the moonlight Carry on, keep romancing, Carry on, carry on dancing In the moonlight Carry on, keep romancing, Carry on, carry on dancing Moving on... Moving all night
