Each time on my leaving home

I run back to my mother's arms,

one last hold and then it's o - ver.

Watching me, you know I cry,

you wave a kiss to say goodbye,

Feel the sky fall down upon me!

R: All I am, a child with promises

Esmi Fmi Bmi Cb F# As

All I have are miles full of promises of home.

If only I could stay with you,

my train moves on, you're gone from view,

Now I must wait until it's o - ver.

R: All I am...

Days will pass, your words to me,

it seems so long; eternity,

but I must wait until it's o - ver.
