One by one my tales are told.

It's no lie

She is yearning to fly.

She says Adiós, says Adiós,

And now you know why

He's a reason to sigh

- she says Adiós, says Adiós, Goodbye.

- she says Adiós, says Adiós, Goodbye.

One by one my leaves fall.

One by one my tales are told.

My, oh my! She was aiming too high.

He says Adiós, says Adiós,

And now you know why

There's no moon in her sky

- he says Adiós, says Adiós, Goodbye.

No Goodbyes

For love brightens their eyes.

Don't say Adiós, say Adiós,

And do you know why

There's a love that won't die?

- don't say Adiós, say Adiós, Goodbye.

- don't say Adiós, say Adiós, Goodbye.
- don't say Adiós, say Adiós, Goodbye.
