

# Trains And Winter Rains

Enya

City streets passing by  
Underneath stormy skies

Neon signs in the night  
Red and blue city lights  
Cargo trains rolling by  
Once again someone cries

Trains and winter rains  
No going back no going home  
Trains across the plains  
And in the sky a star alone

Every time it's the same  
One more night one more train  
Everywhere empty roads  
Where they go no-one knows

Trains and winter rains  
No going back no going home  
Trains across the plains  
And in the sky a star alone  
Trains and winter rains  
No going back no going home  
Trains across the plains  
And in the sky a star alone

Trains and winter rains  
No going back no going home  
Trains across the plains  
And in the sky a star alone  
Trains and winter rains  
No going back no going home  
Trains across the plains  
And in the sky a star alone
