

# Girls Keep Secrets In The Stranges Ways

Ephemera

If you quit, if you start  
If you want to play a part  
If you stop, if you begin  
If you lose it, if you win

If you come, if you go  
If you miss the opening night show  
If you smile, and if you cry  
If you promis, if you lie

Girls keep secrets in the strangest ways  
Girls don't tell  
We just sometimes have to say  
(2x)

If you speak, if you keep still  
If you take mountains into a mount hill  
If you love, and if you hate  
If you see it all to late

Girls keep secrets in the strangest ways  
Girls don't tell  
We just sometimes have to say  
(2x)

If you stop, if you begin  
If you lose it, if you win  
If you smile, if you cry  
If you promis, if you lie (2x)

If you quit, if you start  
If you want to play a part  
If you stop, if you begin  
If you lose it, if you win

Girls keep secrets in the strangest ways  
Girls don't tell  
We just sometimes have to say  
(2x)
