

Undercurrent

Epidemic

Struggling to explain before you tune me out and turn away.
So here it is, it contradicts and eats away your faith.

What do you wish to gain?
Is this worth what you've given up, now that you've had enough?
Of all the nerve, there's no return.
You won't be coming back.

See through, see beyond
Don't blur the lines, I'm not your enemy.
See through, see beyond
Why take a side anyway?

Covering up the truth,
You're devoted to what you assume is expected of you.
The more we take, obliterate.
This was no accident.

See through, see beyond
Don't blur the lines, I'm not your enemy.
See through, see beyond
Why take a side anyway?

You're a lie, you cheat on yourself. (2x)
Why take a side that's not yours? (2x)
Why?
You're a lie.

See through, see beyond
Don't blur the lines, I'm not your enemy.
See through, see beyond
Why take a side anyway?
