Not an ace, got no space for this choker
0 0 0, 0 0000 so I sing this song
No more Christmas and I'm gone

No more Christmas
No more Christmas
No more Christmas

No more Christmas
Have yourself a merry, merry Christmas
I wish you a merry, merry Christmas

No more Christmas
Have yourself a merry, merry Christmas
I wish you a merry, merry Christmas

No more Christmas
Have yourself a merry, merry Christmas
I wish you a merry, merry Christmas
