

## Hitchin' a Ride

Eraserheads

Hitchin' a ride on Santa's sleigh  
Zig-Zaggin through the snow  
Hitchin' a ride on Santa's sleigh  
Flying reindeers on the airway

I'm a UFO speedin free  
Across the universe I'm flying V  
I brought home a present  
A souvenir affair  
A little box of Carols  
To all I wish to share  
There are no moral lessons  
You can make some of your own  
I don't need a revolution  
Play a song to move your backbone  
My folks were glad and quick  
Guess who gave ol' Santa  
A sweet kiss in his rosy red cheeks

Hitchin' a ride on Santa's sleigh  
(Ring-a-ling, are you listening)  
Hitchin' a ride on Santa's sleigh  
(There's a fruitcake for everybody)  
Hitchin' a ride on Santa's sleigh  
(There's a B side in every story)  
Hitchin' a ride on Santa's sleigh  
(Take a bite, it's all right)  
(It's all right, it's all right)
