

## Shadow Reads the News Today, Oh Boy

Eraserheads

Shadow is my friend  
He'll be with me  
Till the end  
I don't have to  
Make amends  
Like that river  
Round the bed

He won't let me down  
Just chase me around  
He won't get on my nerves  
If it gets any worse

People are so strange  
Everybody is deranged  
Everytime I try to speak  
They don't get it for a week

I'll get out of bed  
Sing songs in my head  
I'll wait for the sun  
To shine on the one  
Who never disagrees  
And likes everything he sees  
Let's go for a ride  
The road is long and wide
