Emi B Bmi D C
R: Oooh, do we not set sail on the ship of fools
Emi B Bmi D C

2. I close my eyes and I try to imagine, what you're dreaming
Why can't you see what you're doing to me, my world is
spinning
He was the baby of the class you know, he really didn't know

And two and two were four. He was the baby of the class you

so young and so uncertain
Suffer little children, oh what a poor soul
