E **B** **F# E B**
It's not the way you leave your clothes upon the bathroom floor
,
Asmi **C#mi**
Been thinking about you, I just couldn't wait to see
A **B** **C#**
Fling my arms around you, as we fall in ecstasy

F# **C#** **B** **C#**
R: Ooh sometimes, the truth is harder, than the pain inside
F# **C#** **B** **Asmi**
Ooh sometimes, it's the broken heart that decides
F#mi **E** **B** **F# E B**
It's not the way you caress me toy with my affection
F#mi
E **B** **F# E B**
It's not my sense of emptiness you fill with your desire

Asmi **C#mi**
Climb in bed beside me, we can lock the world outside
A **B** **C#**
Touch me satisfy me, want your body next to mine
